Wiffle Ball Classic Benefiting the Positive Coaching Alliance

Positive Coaching Alliance (PCA) is a national nonprofit working to transform the culture of youth sports so that every youth athlete can have a positive, character-building experience.

The program's success comes from educating coaches, parents, athletes and administrators through a variety of live group workshops, online courses and training materials. To date, PCA has partnered with thousands of schools and youth sports organizations—and has impacted the lives of more than 5 million athletes.

What makes PCA so important is that it places character education at the top of the organization's objectives. The program is designed to prepare young athletes for success both on and off the playing field. And everyone involved, from parents to coaches to school officials, will become part of a culture that understands what it means to Honor the Game.

PCA's Minnesota chapter was launched in June of 2013. The chapter will continue PCA's mission of developing "Better Athletes, Better People" across the state. We'd love to see you join our team.

Division (please select one)

CORPORATE (\$500) - Friday

This division is for co-workers looking to have some fun away from the office. Like the other divisions, the corporate division is co-ed and there must be at least one woman per team.

FAMILY (\$200) - Saturday

In the Family Division, kids and parents can compete on the same team and have fun on the field. Non-immediate family members (uncles/aunts, cousins, etc.) are also allowed. Each team must include at least one child under the age of 13.

MINOR LEAGUES (\$300) - Saturday

The Minor League Division is for those who are new to the game, haven't played since they were kids, or who are not sure of their competitive level.

MAJOR LEAGUES (\$300) - Saturday

The Major League Division is for those who are competitive, extremely competitive or play wiffle ball on a regular basis.
